ORDER CODE	STO-301-00	classic seat, bottom entry plumbing
	STO-301-01	classic seat, back entry plumbing
	STO-301-02	flat seat, bottom entry plumbing
	STO-301-03	flat seat, back entry plumbing
CISTERN	Suits back entry inlet or bottom entry plumbing. Left and right bottom entry inlet points.	
PAN	Wall faced close coupled with rimless pan design.	
TRAPS	Universal trap, suitable for S or P trap installations.	
SEAT	Quick release seat with stainless steel hinges, soft closing. Two seat options available.	
WELS	4 star rating 4.5/3 litre water saving flush.	
SETOUT	Variable 90-190mm using supplied connector; 150mm recommended.	
FIXING	This is a close coupled toilet suite — the cistern is fixed directly to the pan and does not require wall fixing. Pan may be bedded with cement base or using silicone sealant.	

Rimless Clean Flush pan design - for an efficient, powerful flush

Nanoglaze surface - ultra-smooth and anti-bacterial, easy to clean

Easy care pan height - making it easier to get on and off the seat

Please note

- Installation shall be in accordance with AS/NZS3500.
- All measurements are in millimetres. Height dimensions are to base of pan. Make allowance for bedding.
- Bedding: Fix pan to floor using a sand cement mixture of 3:1 to a depth of 60mm. Do not use lime or fast-drying cement.
- Bracket fixing: The pan should be bedded with an acetic cured silicone sealant and fixed with the brackets supplied.
- Dimensions are nominal and subject to normal ceramic manufacturing variations.
- Specifications may vary without notice as part of our continuous improvement practices.
- Clean with a damp cloth. Do not use abrasive cleaners, liquids or pastes.
